The Bible is a compilation of many shorter books written at different times by a variety of authors, and later assembled into the biblical canon. Since the early 13th century, most copies and editions of the Bible present all but the shortest of these books with divisions into chapters, generally a page or so in length. Since the mid-16th century editors have further subdivided each chapter into ...

The section sign is often used when referring to a specific section of a legal code. For example, in Bluebook style, "Title 16 of the United States Code Section 580p" becomes "16 U.S.C. § 580p". The section sign is frequently used along with the pilcrow (¶) also known as the "paragraph sign", to reference a specific paragraph within a section of a document.
