Adopting a professional ethics perspective on the basis of role-morality and applying it to a core definition of mediators' role, Shapira argues that all mediators are placed in ethical relationships with mediation parties, the mediation profession, the public and their employers. or principals that produce ethical obligations.

A Theory of Mediators' Ethics - Cambridge Core

The opinions of the Committee on Ethics further clarify what is acceptable practice. The Commission handles purported ethics complaints against mediators who are registered with the Georgia Office of Dispute Resolution (GODR) and who serve in Georgia court-connected cases. Fully understanding the ethical framework significantly reduces your chances of having a complaint filed against you.

Ethics Information - Georgia Office of Dispute Resolution

Alternative dispute resolution, or external dispute resolution, typically denotes a wide range of dispute resolution processes and techniques that act as a means for disagreeing parties to come to an agreement short of litigation: a collective term for the ways that parties can settle disputes, with the help of a third party. However, ADR is also increasingly being adopted as a tool to help settle disputes alongside the court system itself. Despite historic resistance to ADR by many popular part
