In a special February 2011 centenary edition, the American Economic Review selected Todaro's article "Migration, Unemployment and Development: A 2-Sector Analysis" (with J. Harris) as one of the twenty most important articles published by that journal during the first one hundred years of its existence.

Economic Development - Michael P. Todaro, Stephen C. Smith ...

A very good approach to economic development. Even if your course is not on economics, this is a great supplement for any development course. The chapters are demanding in that they present many theories and after some time you feel you have not learned anything, but the authors' attempt is worth 5 stars.
