Share Rossamünd Bookchild is the male protagonist of the Monster Blood Tattoo trilogy. Being a boy with a female name haunted him since his earliest days as a foundling, but is also a reference to his true nature: it is revealed later in the series that he is actually a manikin or rossamünderling, a type of monster with a human form.

By the end of the book however, I had the feeling of prediction Rossamünd will mature and grow up much more as the series progresses. It's obvious that Monster Blood Tattoo is meant to be a series; when reading Foundling, I could tell the book was much more a part of a greater adventure, than containing one in itself.

Monster | The Notebook Chronicle

This first book in the Monster Blood Tattoo series tells the story of his adventure-filled journey from the orphanage to his new job, during which he meets monsters, a monster-fighter, wicked sailors, a brave postman, and a scary and mysterious guy who wears a box on his head.
