### Obesity Term Papers

Abstract: Obesity is a long-term complex condition in which having too much body fat increases ones risk for developing other health problems. It has been recognized as a major health problem by the Surgeon General, The World Health Organization (W.H.O.), The National Institute of Health (N.I.H.) and The Centers for Disease Control (CDC). Its over- all prevalence has increased by 33% in the last decade (Merck, 2003, pp. 685-687).
