### Our Minds On Freedom Women

Our Minds on Freedom examines the role of women as organizers and leaders in the black struggle for equality in Louisiana. Using gender as a basic organizing principle, in combination with other systems of inequality -- race and class -- it challenges the notion that "men led, women organized," and places female activism, regardless of gendered expectations, at the center.

### Our Minds on Freedom: Women and the Struggle for Black ...

Our Minds on Freedom: Women and the Struggle for Black Equality in Louisiana, 1924-1967. Traditionally, literature on the civil rights movement has highlighted the leadership of ministerial men and young black revolutionaries like the Reverend Martin Luther King, Jr., Stokely Carmichael, and Malcolm X. Though recent studies have begun to explore female participation in the struggle for racial justice, women have generally been relegated to the margins of civil rights history.
