The Cost of Living : NPR

Of course, it's in the housing market where cost of living changes are really out of whack with the past. In 1984, the average mortgage size was \$37,542; twice the average annual salary of about \$19,000. Today, the average mortgage is about 10 times that. Sadly, however, the average wage is not \$190,000.
